attended and
dates**

Monthly meeting held this month on the 24th July 2018

**Key issues
discussed at
the
meeting(s)
(relevant to
LTC and its
constituents)**

1. Received calendar from the chair of PTA, calendar to be passed to clerk.
2. Chair stated he was very thrilled how well received everyone was by LTC on the Monday of the visit
3. Further thanks was also received on the fact that LTC has named a room in new offices the Plaisir Room
4. Everyone visiting the Town Hall were really happy to find the wool shop and High Street Haberdashery had produced wonderful displays in their windows, also with the later giving home made gifts to everyone which was very thoughtful
5. There was some disappointment from the association that despite have discussions with Danny Steel of Lowestoft Vision no shops in the town were decorated
6. Another quiz night is to be held at Sam's café in September, once date confirmed emails will be sent out to all councillors
7. There was discussions about meeting in the Plaisir room at Hamilton House to toast the room, no date was decided and to what extent they mean by toasting the room I am unsure of

Any actions required by LTC?	1.2. Follow up on exact details on toasting the Plaisir room entails
