

Please see the prices you have requested, marked in red.

The total cost to refurbish the bench is £1654.37, and this is excluding VAT on the materials.

We will charge Val £1287.00. This includes the cost of a bench made from recycled materials, supply of the engraved plaque and installation of the bench onto the existing pad.

Just to clarify, there will be NO charges made to LTC for a new bench.

Regards,

Lynne

What is the cost of the new Glasdon bench?

Then LTC will need to decide which option it would prefer.
