c. It was noted that the Planning Authority had recently made the decision to recommend refusal of application DC/20/1403/FUL, 4 Yarmouth Road - 2 storey and single storey extensions and replacement windows. Due to technical problems the Town Council had not been consulted on this application. It was agreed that if there was an appeal of this decision the Town Council would be asked to submit a view.

d. Planning Determinations issued by the Planning Authority which were contrary to the recommendations of the Town Council

	park at the reception area of the site. Currently, 21 car parking spaces	Normanston
	exist and we are looking to extend to a total of 61 car parking spaces.	

The Town Council had recommended refusal of the application due to insufficient mitigation against the removal of trees and introduction of landscaping and planting to reduce the impact on the street scene, however the application had been approved by the Planning Authority. It was agreed to write directly to Birds Eye to ask if more planting/shrubbery could be provided to make for a more attractive street scene.
