Beeching Drive  
Lowestoft

XX September 2020

Dear resident,

The Town Council wishes to submit a request to the land owner (East Suffolk Council) of the grass land in Beeching Drive to become a conservation area. Both this Council and East Suffolk Council have declared a climate emergency and by not cutting the grass on this land and allowing the biodiversity to increase with additional wild flowers and insects will have a positive environmental impact.

More details of the Town Council's Climate Emergency declaration can be found on our website.

If you would like to submit any comments on this proposal, please contact me before XXXX

Yours sincerely,

Sarah Foote PSLCC. MIMLCC  
Deputy Town Clerk
