

Item 162.6b

A request for dog waste bins in alley ways

I am writing to ask if Lowestoft town council can please provide some dog waste bins. The alley ways that back on to several neighbouring roads are being inundated with dog fouling and sadly the perpetrators are not picking up and are even allowing their dogs off the leads. Sadly, some of these people even become aggressive when someone suggests they pick up, but with dog waste bins in the area as well as dog fouling stickers.

The areas include the alleys ways that are between Edinburgh Road and Park Road, Edinburgh Road and St Margaret's Road, and Edinburgh Road and Cambridge Road.

I would appreciate it if you can please pass this onto the relevant department.
