

## Public Meeting to review CCTV in the Town

Lowestoft Town Council is reviewing its CCTV service. This service was passed to the Town Council by Waveney District Council when it created the Town Council and we want to ensure that it is the right service provided at the right cost and fit for the future. Help us review the service.

**Come along and have your say**

### CCTV Public Meeting

**16 February 2018 18:30**
