1	There is a need to discourage youths (for want of a better word) parking in the turnaround and dumping litter and smoking.they also drive at speed down Grove Road North to get to the turning place late at night .Police have been told. I also notice tyre tracks on the green so motorised vehicles drive on the green.	2/20/2019 4:18 PM

11	It is a vast open space with everything on one side of path like play area. The other part could be developed for affordable housing, with money raised improvements to play area can be made and put in a skate park as one in Carlton Colville and Normanston Drive to far	10/30/2018 8:43 PM

16	Smarten it up but please don't put loads of buildings on it	10/30/2018 6:15 PM
