1	I have lived in Lowestoft for 45 years. It is my clear understanding that it is designated public open space effectively belonging to the people of Lowestoft. You have a duty to ensure it remains as such.	12/4/2018 3:17 PM
2	You ask what we would 'like', but the North Denes was bought on the condition that it not be developed except for recreational purposes	12/4/2018 3:13 PM
3	add a park	11/30/2018 9:32 AM

8	It cannot be developed as there is a covenant in place .	11/17/2018 12:44 PM
9	more security in the area	11/15/2018 9:43 PM
10	developed it and make it better	11/15/2018 11:50 AM
11	Just add an ice cream place and a chippy and that's all good, you could have an area for people to speak spanish because spanish is pretty cool!	11/15/2018 10:52 AM

24	Square off the Caravan Site in line with the cricket pitch and leave the rest undeveloped	11/9/2018 5:52 AM
25	The character of it should remain undeveloped however some high quality improvements could be made to add to its attractiveness as a destination. Principally a properly landscaped car park, public toilets and a small cafe/ wildlife interpretation centre	11/7/2018 8:25 AM
26	Given to Suffolk Wildlife trust to maintain and develop for nature	11/7/2018 7:59 AM
27	I would like to know HOW the land might be developed in order to know if leaving it or developing it might be preferable	11/6/2018 10:53 PM
28	A nice cafe, park and toilets would be good. Especially if it can be locked up tight at night so it's not ruined or burnt down like most around Lowestoft.	11/5/2018 2:41 AM

Your views on the future of North Denes

29	I would like to see some form of 'living museum' where one can relive the past fishing related activities of Lowestoft. Similar to those created in Holland (old Zuider Zee towns/villages).	11/4/2018 5:04 PM
30	A cafe and a children's play area would be lovely, it would encourage more people to go there, my grand children love it now, but we can't get a drink or anything, so they would like it even more.	11/2/2018 5:42 PM
31	Toilet facilities,rubbish bins, dog poo bins	11/2/2018 10:16 AM
32	A small café would be welcome.... Perhaps an ice cream kiosk so that it can be used in summer by families	11/2/2018 10:06 AM
33	NA	11/2/2018 9:59 AM
34	There is already a building there which could be a small cafe and a little shop with refreshments. Maybe there could be 2 or 3 little beach hut sized shops with ice cream, gifts and sweets, fresh fruit and snacks. It is a lovely location that doesn't need lots of buildings put all over it. Leave it as it is. But make sure there are toilets there, for people who want to spend time on the beach. It is a lovely unspoilt beach and should be kept that way.	11/2/2018 8:44 AM
35	Would be nice to have something on there for the kids to do and a cafe. May be a indoor and out door play area like bugs cafe at Earsham	11/2/2018 8:43 AM
36	a landscape park would be lovely, also a cafeter and public toilet should be a minimum requirement.	11/1/2018 7:04 PM
37	It was designated as Public Open Space in an act of parliament and I think it should be maintained for this purpose.	11/1/2018 1:24 PM
38	Would be nice if it was better maintained, maybe some loos and café.	11/1/2018 1:16 PM
39	This area is sorely in need of some TLC and development. I live right by North Denes and so many locals would love to see it tidied up and have a small cafe/restaurant or beach shop along there as for those of us who regularly frequent this area are annoyed that there's absolutely nothing along there for miles. Council seem to spend all their money on the south beach to the detriment of the north beach and locals such as myself would love to see some love and attention given to this lovely area.	11/1/2018 12:33 PM
40	na	11/1/2018 11:49 AM
41	Not developed it gets soddon because what's beneife it	11/1/2018 10:39 AM
42	Toilets, Cafe, outdoor museum of 'large objects' to do with the sea and fishing industry. (Nothing that can be easily stolen away of course!)	11/1/2018 10:35 AM
43	Historical attraction. Something to be proud of. An extension to the high street, belle vue Park, Sparrows Nest heritage walk. A reason to visit nearby Ness Point as currently an embarrassing disappointment	10/31/2018 8:27 PM
44	Would like the whole area to have that 'beach village' era developed, a bit of a mini Beamish with people dressed in the clothes of the era & talking & telling tales & stories that happened in the past.....different crafts that went on in the building, shops selling goods made in the old way.....also give a bit of a different twist to the different seasons, then there is Christmas & Easter.....even set up a support group like Friends of Lowestoft Beach Village, get volunteers. Now that would be a real asset to the town bringing in much needed revenue. Lowestoft used to have such character which set it apart, & even looked like a place you would want to move to. Just take a look at the Pictures of Old Lowestoft on FB, such a lovely part of the country that had just about everything going for it. I know it would take a lot of money & effort but would be so worthwhile. Do hope this gets looked at as a credible option, it would be the making of the town as people love 'looking backwards' into the past.	10/31/2018 6:47 PM
45	Answered yes	10/31/2018 5:56 PM
46	I like the idea of a cafe, something different for kids to do which isn't too expensive, a play park or a boating lake, maybe even an indoor trampoline park	10/31/2018 3:12 PM
47	Reopen the closed toilets on Links Road	10/31/2018 1:20 PM
48	Toilets cafe	10/31/2018 1:03 PM
49	The camp site was always well used and regulated and in all the years we used it before moving up here we were never aware of any complaints from the locals, even when we moved up here there was never any public complaints about the site.	10/31/2018 11:41 AM

68	Toilet facilities	10/30/2018 10:31 PM

70	heritage centre, cafe, decent car park	10/30/2018 10:30 PM
71	I would like to see the area tidied up, have no objection to things like picnic tables and making it somewhere that families etc would like to come eg by creation of something like natural trails etc.	10/30/2018 10:20 PM
72	As stated maybe a cafe play area just better facilities toilets and a general tidy up and a serious clamp down on the sheer amount of dog foul left along the promenade it is absolutely disgusting the volume of foul not picked up which at times puts me off taking my children down there through fear of them walking in it or worse tripping over into it being of a young age	10/30/2018 10:11 PM
73	Toilets...general snack shop, souvenir facility...seating area...car parking...North Sea observation tower..general information booth.	10/30/2018 10:01 PM

79	A cafe and public toilets would be useful.	10/30/2018 9:29 PM
80	Park cafe something that would improve the area like the development like at gorleston sea front	10/30/2018 9:27 PM
81	An ice skating rink would be great or something that will bring people to this area! Maybe a childrens indoor play area! Indoor markets!	10/30/2018 9:25 PM
82	Park	10/30/2018 9:03 PM
83	Always room for regeneration and improvement in the local areas for outdoor spaces improving facilities like parks, parking, a destination for local people and visitors to the area, historic area of interest, includeing toilets cafe, etc.	10/30/2018 9:01 PM

84	Cafe plus toilets	10/30/2018 9:00 PM
85	Toilets and a local shop. Facilities for families	10/30/2018 8:50 PM
86	but I would like the old drying net post	10/30/2018 8:38 PM
87	A much needed café and toilets. Also the car park is shocking needs to be improved, would Also would like a circular walk to start from car park to easterly point as would be much needed	10/30/2018 8:38 PM
88	Na	10/30/2018 8:36 PM
89	The beach could be made accessible and useable. At the moment its pretty much for dog walkers and fishermen, because its not really safe for bathing, get the shoreline cleared, clear away the grass on the dunes, make it user friendly, its just as gorgeous as south beach. If we had a shop or cafe there as well, a tea room would be lovely.	10/30/2018 8:33 PM
90	Play facilities , cafe and seating	10/30/2018 8:32 PM
91	But I would like to see it managed, in order that wild life,both flora and fauna can develop habitats.	10/30/2018 8:31 PM
92	Mixed public and commercial but with available public toilets. For a tourist area public convenients are pretty dire in this town	10/30/2018 8:31 PM
93	Play area for children with a decent cafe and toilets	10/30/2018 8:20 PM
94	If part of the land was redeveloped near linx hill end but still having plenty of space for dog walking, this would be ok	10/30/2018 8:19 PM

96	Nature colours walks	10/30/2018 8:09 PM
97	Destination restaurant, play equipment	10/30/2018 8:08 PM
98	Nice cafe, simliar to dunwich	10/30/2018 8:03 PM
99	Public toilets, cafe, refurbished car parki and security. Possibly a children's play area. Make area family friendly and discourage some of the anti social activities that can take place.	10/30/2018 7:55 PM
100	Phase three of Tingdenes site. Cafe or tea room. More public seating.	10/30/2018 7:52 PM
101	There are two cafe directly opposite so it seems pointless to have another, exploit the heritage and if a museum is needed then use either the existing fish buildings opposite or the Maritime Heritage Building, may need extending. But NO development on the Denes.	10/30/2018 7:50 PM
102	Turn it into a prison, keep the local lowlife scum out of harms reach and turn the twn back to what it used to be	10/30/2018 7:30 PM
103	resurface and re-light the car park, a pay and display	10/30/2018 7:02 PM
104	I wouldn't like to see it over developed, but it could do with tidying up, maybe landscape it and put in some public toilets.	10/30/2018 7:00 PM
105	More bins for dog poo, a cafe	10/30/2018 6:59 PM
106	Wind barriers, sheltered seating areas. Seaside themed children's play area. Toilets. Fenced off area with dog agility course and somewhere to dispose of dog poo (like they have in Australia). Pathways with textures to allow blind and partially sighted to follow.	10/30/2018 6:50 PM
107	toilet facilities Maybe a play area for all ages of children	10/30/2018 6:33 PM
108	More exercise activities like Outlon Community Center and nearby Gorleston Seafront	10/30/2018 6:23 PM
109	Public toilets, cafe, bus route, some decent drainage, lighting at night.	10/30/2018 6:22 PM
110	Toilets would be a good idea	10/30/2018 6:20 PM
111	A Trainline to the east point. Caravans and a restaurant maybe.	10/30/2018 6:18 PM
112	Toilets, cafe maybe, the area could be smartened up, the net posts repaired and the beacon stood up again	10/30/2018 6:14 PM

113	I think public toilets could be of benefit to users of the area and the nearby Gunton Warren nature reserve, although designed to fit in with the landscape. The car park at the bottom of Links Road could be improved to be less of an eyesore especially when viewed from Gunton Cliff e.g. new surface with better drainage or research done to find if it is of appropriate size for its use (could it be made smaller?)	10/30/2018 6:11 PM
114	Cafe, toilets, play area for children, Astro turf pitch for teens	10/30/2018 6:10 PM
115	Made prettier	10/30/2018 5:51 PM
116	Extended use of part of the site for caravans or tents. Some form of cafe Public toilets Skate park or muga/all season pitch Seating area Improved car park / car parking provided beyond the caravans off the old swimming pool road	10/30/2018 5:46 PM
117	hmmm. Developed? Why are you asking now? Let me guess, its all about money.	10/30/2018 5:06 PM
