#	RESPONSES	DATE
1	LEAVE AS IT IS	3/26/2019 6:33 AM
2	No	3/23/2019 3:25 PM
3	No. It would end up an eye sore. Please keep it open!	3/22/2019 9:36 PM
4	Need to be where they are, basic need	3/20/2019 1:35 PM
5	Closing them will lead to urine & faeces on the streets etc. -learn from Ipswichs ' experience of closing toilets	3/20/2019 10:03 AM
6	If they were really likely to be closed then I would ask them to be kept open, but charge people. The building is too small for any other viable commercial use. It would fall into disrepair & make the area look run down.	3/19/2019 12:55 PM
7	None	3/19/2019 12:23 PM
8	NO OBVIOUS ALTERNATIVE USE.YOUR FIGURES SUGGEST THAT THE TOILETS ARE WELL USED - 50000 VISTS - WERE ARE THE PUBLIC SUPPOSED TO GO? YOU ARE PROMOTING LOWESTOFT AS A HOLIDAY RESORT AND TO MY MIND PROVISION OF TOILETS IS A BASIC SERVICE - YES , BY ALL MEANS MAKE A CHARGE BUT KEEP THEM OPEN	3/18/2019 12:12 PM
9	No there are precious few public conveniences as it is! Please keep what remains open & maintained!	3/18/2019 8:11 AM
10	No you must not close the toilets, it's hard enough to get tourists to these areas as it is without getting rid of facilities	3/17/2019 4:09 PM
11	This town already has a lack of toilets which is contributing to the decline of tourism in this area. Keep these as a free facility	3/17/2019 2:28 PM
12	Holiday let like Saxon Road	3/17/2019 12:57 PM
13	No	3/16/2019 2:14 PM
14	No, as the area needs accessible public conveniences and they should stay as they are, available free of charge to the public. Basic right to have toilets available, without charge, funded by taxes (of which I am a contributor). The loss of basis amenities, such as these, would signify a further decline in the councils provision for the area. Many more people would have an opinion of this but as tourists they will not have the opportunity to do so, but rely on these facilities each year.	3/16/2019 1:31 PM
15	No. Where they are currently located is the best place.	3/16/2019 1:21 PM
16	The building should not be used for anything else - it should be a public toilet. When you've got to go, you've got to go, and if there's nowhere appropriate to do it, things get messy! Come on council, I'm sure you can cut costs elsewhere.	3/16/2019 11:14 AM
17	They should not be closed, they are a public amenity.The ones on the prom are closed in the winter, but people still need to use the toilet. You are trying to improve the seafront, but closing toilets is very much a retrograde step. I overheard a family trying to get into the prom toilets, and the man said I'll just go round the back. Is this hygienic? There seems to be money for frivolous projects but not for justified necessities.	3/16/2019 11:04 AM
18	No toilets are a right in a modern society, unless humans can be given some sort of medication that prevents you needing to use one or if we can relieve ourselves in the street without fear of arrest , they are the single one facility that everyone needs access to	3/16/2019 9:44 AM
19	no other ue	3/15/2019 5:54 PM

## Viability of Kirkley Cliff Road (Kensington Gardens) Public Conveniences

20	If you close these toilets I will not go to Kensington Gardens at all, these facilities need to be updated, the hand washing equipment does not work most of the time. They should be seen as important facilities in Lowestoft and not be seen as a easy option for closure. I walk through the gardens every day with my wife and dogs and see these facilities as a necessary requirement, especially in the summer months when the footfall in the gardens is much greater.	3/15/2019 5:39 PM
21	Keep as toilets. We are losing too many public loos all over the country	3/15/2019 4:56 PM
22	No	3/14/2019 4:33 PM
23	The building isn't big enough to use for anything else,.	3/14/2019 10:05 AM
24	Provide cover from the road when I need to see behind them. Great way to promote tourism, by closing any facility that encourages peoples to venture more than a few yards from the beach.	3/13/2019 11:52 PM
25	The toilets are well-used by a lot of people some who will not be able to access this survey. They are on a main road and many drivers stop to use the facility. They should not be closed.	3/13/2019 12:39 PM
26	No. We all need to use the toilet on days out. Especially young children and us not so young.	3/12/2019 10:51 PM
27	No, they should be kept open and free to use	3/10/2019 5:08 PM
28	No you need toilets you are closing the majority around the town leave them as they are there are hardly any on the seafront especially in winter, The bowls players and tennis players need them too, what about lack of facilities not only for visitors but everyone.	3/10/2019 12:26 PM
29	No	3/8/2019 10:26 PM
30	Would not like to see these toilets closed they are on the main road ideal for travellers etc.	3/8/2019 9:02 PM
31	No, it is needed as a public toilet.	3/8/2019 7:39 PM
32	TOILETS. BOTH MY HUSBAND AND I TAKE OUR LITTLE DOG FOR A WALK IN THE PARK DAILY AND AS WE ARE BOTH ON WATER TABLETS WE NEED TO USE THE TOILETS. ALSO MANY PEOPLE TRAVELLING BY CAR/VANS STOP OF TO USE THE TOILETS. TOILETS ARE NEEDED IN FACT IT WOULD BE AGAINST OUR HUMAN RIGHTS TO CLOSE THEM.	3/8/2019 2:45 PM
33	No	3/8/2019 11:09 AM
34	None	3/8/2019 9:30 AM
35	Small gardening stall, supporting the gardens. Storage for garden equipment. Storage for games equipment to be used in the gardens, boules, quoites. Bus stand.	3/7/2019 10:35 PM
36	No because Waveny district council like to close everything and rob money!!	3/7/2019 9:33 PM
37	No, the loo is very useful. It's not very clean though, the washbasin rarely works and soap dispensers are often empty	3/6/2019 7:51 PM
38	I am a taxi driver and see many drivers using this convenience many are at work or simply passing through . Apart from Pakefield street this toilet is the only one in town one can actually park outside ok maybe the disgusting one on the triangle - charge for that one and keep the scum out and use the revenue to support this one.	3/6/2019 3:11 PM
39	No, I believe they should be kept as toilets, there is a need for public toilets. If charging for use would keep them open, it would be worth it in my opinion	3/6/2019 9:20 AM
40	No keep them open bloody Tories	3/6/2019 2:49 AM
41	No	3/5/2019 11:54 PM
42	no	3/5/2019 2:27 PM
43	No.	3/5/2019 1:10 PM
44	No we need public conveniences. I visited some at Orford where they were free, even had flowers in them	3/5/2019 12:29 PM
45	Lowestoft already lacks FREE toilet facilities so these should not be closed. What is the Council doing with all our council taxes?	3/5/2019 7:57 AM
46	Closed, you must be joking...	3/5/2019 6:11 AM
47	The only thing I could think of is garden tool & equipment storage for use by the friends of Kensington Gardens.	3/5/2019 1:16 AM
