

A New Market!!

Do you have a great line of products and need a place to sell them?
Are you looking for a low cost location on High Street but aren't ready to rent a whole shop?

Lowestoft Town Council is seeking vendors for a new monthly market at the Lowestoft Market Plain

We are looking for quality vendors with interesting, unique products.

You must have all required licences, insurance etc. needed for your product line. **This is not a car boot sale**, so resellers of vintage or used items will need to have a theme to their stall (books, antiques, etc.).

First Market is Saturday September 28!!
Limited Spaces!!

You must pre-register with Lowestoft Town Council as a market trader.

You cannot register on the day.

Market days are the fourth Saturday of the month and stalls are £10.

Market
Plain

Are you ready to set up a stall?

Find complete information on our Facebook page and website, or give us a call.
