Meetings attended & dates	<u>NALC Annual Conference</u> <u>Workshop: Right to Build by Richard Bacon MP</u>
Key issues discussed at the meeting(s) (relevant to LTC & its constituents)	<ul style="list-style-type: none">* Housing market is broken* The Big 6 housebuilders are building homes which approx. 70% of people don't want to live in.* Within property ownership, more people do not have a mortgage than those who do.* Every council must hold a register for those who wish for the right to self-build and the demand must be met.* UK lagging way behind the rest of Europe in terms of self-build where serviced lots with groundworks completed and all utilities are readily available.
Any actions required by LTC?
