

Item 13.5d – Quote from Waveney Norse to replace damaged bench slats in Sparrows Nest

Can confirm that replacement slats are £22.50 each and about £20 to remove and refit. Four have some damage, can you confirm if you would like us to replace these, can allocate cost to the managed R&M budget (£110 total).

It presents no risk to users, just slightly unsightly. Let me know either way when convenient, I won't do anything until instructed.
