Project: **Belle View North West
entrance Lowestoft Suffolk**

Dear Mark

Further to your recent kind enquiry regarding the above proposed site, I can confirm our quotation for the Asbestos Removal works.

We are pleased to submit a quotation of **£1050.00 plus vat** to carry out the following works.

Our quotation make's provision for the following items:

- Supply a two-man asbestos team to remove and dispose of the asbestos cement under canopy from the above project as identified in the RFSFF management survey Ref: P001 16 under suitably controlled conditions.
- Ensure public safety by use of 1000g polythene containment tent, segregation of the work area, appropriate signage and pedestrian supervision.
- Dispose of the waste to a suitable licenced facility and supply waste documentation for your records.

Our quotation makes **no** provision for the following items:

- Reinstatement, making good or builder's works.
- Provision of any temporary works, Propping, supports or weatherproofing other than that stated above.
- Disconnection, isolation or diversion of any services.
- Removal of any asbestos containing materials other than any stated above.

We trust that we have interpreted your requirements correctly and that this quotation meets with your satisfaction. We look forward to discussing this with you, in further detail, in the near future.

Our risk assessments, method statements and health & safety plan will be forwarded should we be awarded the contract.

Kind Regards
ANGLIAN DEMOLITION & ASBESTOS LTD
