

STREET TRADING INFORMATION FOR EAST SUFFOLK COUNCIL

These guidelines have been produced to help people who want to trade in a street (Street Trading). Street Trading is controlled only in the geographical area formerly known as Waveney and not the rest of the East Suffolk district. Any reference to the 'Council' means East Suffolk Council.

These guidelines are not intended to cover every aspect. If after reading them you are still not clear about something, either contact the Council's Licensing Team (the address and telephone number is set out at the end of this note) or seek your own further advice.

The General Position

The law defines "Street Trading" as "the selling or exposing or offering for sale of any article (including a living thing) in a street".

There are certain exceptions from this definition but generally the definition is wide and covers most forms of trading.

The Council has designated some Streets within the area formerly known as Waveney District Council area as **Prohibited** Streets and some as **Licensed** Streets. The remaining Streets are **Consent** Streets. Please see the following explanation and refer to the lists of Prohibited and Licensed Streets attached.

A "street" is also given a wide definition. For the purposes of this designation, "Streets" includes any road, footway, promenade, pavement, public car parks and all other areas adjacent to the said streets for a distance of 20 metres to which the public have access without paying.

A Licence/Consent cannot be issued to anyone under the age of 17.

A licence or consent will last at the most for one year. It is your responsibility to ensure you make a renewal application in good time before the expiry of your Licence/Consent, if you wish to continue trading.

When issuing a Licence/Consent the Council may apply such conditions as it considers reasonably necessary. Conditions will obviously vary according to the circumstances of each case.

The Council will **not** grant a Licence/Consent if: -

- It is not satisfied about arrangements for clearing away and disposing of any refuse created by the trading taking place.
- The trading is likely to disturb or annoy people living in the immediate area.

An application will take a **minimum** of 28 days, as we have to consult with Police, Environmental Services, Planning, all District Councillors, Town Councils and Highways at Suffolk County Council. We will not begin to consider an application unless **all** the relevant documentation is sent in with the application form.

If you are trading in food (including ice cream) please contact our Environmental Health section for further information regarding details of food safety regulations and the registration of a food business (this is a legal requirement). The vehicle/stall will be subject to an inspection to determine its suitability and to check compliance with food and safety regulations.

For trading in any of the **market towns (Beccles, Bungay, Halesworth, Lowestoft and Southwold)** you must contact the appropriate Town Council before applying to us.

Halesworth	Tel: 01986 874517	Email: clerk@halesworthtowncouncil.org.uk

We will not accept an application for trading in the market towns unless it is accompanied by the approval of the appropriate Town Council. Once you have the approval of the Town Council you may make your application to us.

Applications must include:

- the name, address and date of birth of the applicant. An applicant must be an individual of at least 17 years of age
- details of the street(s) and location of the pitch or the areas the applicant wishes to trade
- the days and times they wish to trade
- descriptions of articles or things intended to be traded and any item that will be used in connection with the trading
- storage arrangements for the vehicle/trailer
- the fee (there is also a fee due on annual renewal)
- a copy of your public liability insurance for a minimum of £5,000,000
- a photograph of the vehicle/stall and a plan map showing your chosen location.

In addition if you are planning to use a motorised catering unit you will also need to provide

- Vehicle registration certificate
- Proof of MOT
- Proof of vehicle insurance – specifically business use
- Driving licence for all prospective drivers

Applications will not be considered without this evidence.

Application procedure

Once a full and complete application has been received a consultation period will commence when your application details are circulated to:

- Environmental Services
- Planning
- All District Councillors
- The Police. For self-contained vehicles (eg ice cream vans) they may require you to produce original documentation for the vehicle and any drivers
- The Highways Authority
- Town Council (if required)

A Consent or Licence may not be granted when adverse comments are received from the consultees, or where there is a possible risk to road safety or possibility of a nuisance being created.

A council will grant an application unless there are grounds for refusal.

PROHIBITED, LICENSED AND CONSENT STREETS

If the Council has designated a street as a **prohibited street** it means that **no Street Trading at all can take place**, this includes all other adjacent areas to a distance of 20 metres. In these streets there is no point in applying for a Licence because the Council will not issue one. See attached list.

The Council has designated the remainder of streets within the area formerly known as Waveney District Council area as either **Licensed or Consent Streets**. The licensed streets are identified on the attached list. All remaining streets, if they are not prohibited or licensed are consent streets.

A Street Trading Licence or consent when granted will be subject to various conditions, which will be attached to the Licence.
