

Item 23 – Provision of Town Council noticeboards

Requests from Councillors for additional noticeboards

Ward	Location	Details
Kirkley	Fen Park	Two noticeboards requested – one at the Tom Crisp entrance and the other at the Russell’s Walk entrance. The Fen Park Friends are looking to see if one could be made by a local community group. (Cllr Hardie)
Harbour and Normanston	Open space near the Nelson Public House on Maidstone Road	This is East Suffolk Council land, but it is understood the Town Council may have previously had an interest in requesting ownership of this land? (Cllr Patience)
St Margaret’s East	Near Village Rise	Village Rise itself is not owned by the Town Council, but the only other noticeboard in this ward is located at the Gunton Estate Residents Meeting Hall, so an additional noticeboard at the other end of the ward would be welcome. (Cllr Youngman)
Pakefield	Near the shops on Shelton Road (off Lansdown Road) Cliff top board on the stretch between East end of All Saints Rd and the Oddfellows	This land is not owned by the Town Council but a noticeboard in this area would be beneficial. (Cllr Pitts)
