Seconded by Cllr Green; all in favour. Questions were asked about regular cleaning cost for Whitton Hall, expenditure for the Ness and payments for staff t-shirts were asked and it was further requested that the Whitton Hall Cleaning could be added to the Norse schedule.
- 9.2. Internal Audit report – it was agreed to accept the internal audit report for the year ending 31 March 2022, subject to the following comments, and to express thanks to the internal auditor for their work.

  - 9.3d. The period for the exercise of public rights – was noted as 1 July to 11 August 2022. Cllr Green proposed acceptance of the above, seconded by Cllr Parker; all in favour.
- 9.4. Budget for 2022 – 2023, including delegated Committee and Sub-Committee budgets. Cllr Parker asked if when the budget had been set inflation had been taken into account along with increases in capital costs as both were now of concern. Cllr Pearce confirmed that detailed monitoring would need to be undertaken and that utility and fuel costs would also need to be taken into account. Cllr Pearce also suggested that the redevelopment of play parks may need an increased budget and that the AID Committee may need to look again at five year plans.

Cllr Parker asked if a visible chart of the entire budget, showing what we have spent and what was forecast to be spent could be prepared instead of councillors being presented with detailed figures. It was agreed that Budget and Loan Sub-Committee would explore this. Proposed by Cllr Pearce, seconded by Cllr Parker; all in favour.

Cllr Pearce asked for confirmation on delegations for the budget and if the same delegation applies to reserves (subject to officers confirming there are available funds in the reserves). It was confirmed that this delegation applies and Item 18 Full Council Minutes 20220517 refers.

- 9.5. 2022 – 2023 grants and community engagement budgets and earmarked reserve  
Cllr Pearce reported that during the last financial year only £30k had been precepted for as there was an anticipated £20k underspend. For the current financial year, the entire £50k budget has been taken from reserves and therefore £41,600 (already £8,400 in reserve) would need to be reallocated. Cllr Pearce asked for confirmation of Arts and Heritage reserve carried forward from last year and this was confirmed £41,499. There was no immediate pressure on the grants budget and it was agreed to consider further at the next budget and loan meeting with the objective of understanding what was already committed against reserves in Arts and

- 9.7. Budget allocation for replacement of Fen park footbridge – it was noted that a recommendation from AID Committee was to replace the footbridge but it was agreed that it needed to be established if this was an urgent health and safety requirement which would be required within this financial year. If the work was required this year it would be taken from the Parks and Open Spaces reserves budget, if left for the following year it would be a precepted amount. It was proposed by Cllr Pearce, seconded by Cllr Green that the Community Wardens and the Health and Safety consultant confirm urgency; all in favour.
- 9.8. Non-payment of rent from a tenant, including to consider the implications for the 2022 – 2023 budget, and to consider what actions and contingency budgeting measures may be required (some aspects may be confidential)  
 The Town Clerk reported that a case had been made for the payment and the Town Council were seeking legal advice. The outcome was still unknown. This item needed to be referred to Budget and Loan Sub-Committee for detailed discussion.

**Payments to Authorise**

Up to £7,000 for a Composting area for Fen Park as recommended by the Assets, Inclusion and Development Committee, to be taken from the Parks Reserve. It was proposed by Cllr Pearce, seconded by Cllr Brooks; all in favour, to make this payment and pass to Budget and Loan Sub-Committee to recover unplanned expenditure from reserves. Uses of mulch at other parks and for public to use would be considered as Park and Open Spaces agenda item.

10.2. To consider any payments for approval (see schedule), including the following:

A music licence for Whitton Hall for £251.80 plus VAT. Proposed by Cllr Pearce, seconded by Cllr Green; all in favour.

**11. Grants:**

11.1. Grant applications:

11.1.a. Lowestoft Food Network for £10,000, and consideration of an annual contribution of £10,000 to the Lowestoft Food Network, with effect from 2023 – 2024 financial year  
This was not considered as the formal application had not been received. Officers would advise the Food Network of the deadline for the next agenda.

11.1.b. Eastern Angles Theatre Company Ltd for £200.

Cllr Brooks proposed approval of this application, seconded by Cllr Pearce; all in favour.

11.1.c. The Excelsior Trust for £2,000

It was understood that this grant was for the Vessels Festival. £5,000 had already been ring fenced for this as a major event. Cllr Pearce proposed that the Trust were informed that they could access £5,000 but would need to provide a full breakdown of how the additional funding would be used. On receipt of this, and once members had been provided with the breakdown and were content, the full amount would be released to the Trust. Seconded by Cllr Green; all in favour.

11.1.d. Waveney Valley Athletics Club for £5,000

The Scores Race, for which this application referred, had previously been agreed as a major event budget and expenditure had been ring-fenced. Proposed by Cllr Brooks, seconded by Cllr Pearce; all in favour.

**Meeting of the Finance and Governance Committee**  
**Whitton Residents' Hall, Hawthorn Avenue, Lowestoft, Suffolk, NR33 9BB**

11.1e. YMCA Trinity Group for £2974.31

Proposed by Cllr Barker, seconded by Cllr Brooks; all in favour. Cllr Pearce proposed that £2,000 be taken from the grants budget and the remaining £974 from the allotments capital budget. Seconded by Cllr Brooks; all in favour.

**12. Other finance and governance matters:**

12.1. Amplification and recording equipment options for the Council Chamber, including to consider the warranty period and any options for leasing equipment

The Clerk reported that current options were providing expensive and other options were being explored. Cllr Green asked if there was a way that the recording didn't just focus on the chair of the meeting and the Clerk confirmed there were certain systems which were able to rotate round to who was speaking and Officers would explore this further.

12.2. Recommendation to Full Council regarding the replacement of the Marina Theatre's lighting desk

Cllr Brooks suggested that an independent person, of the council's choosing, makes an assessment of what is required in terms of the lighting desk. The Clerk confirmed that it was understood that the technical support for the current desk had expired and general life expectancy meant it was due to be replaced, therefore, the theatre was vulnerable. Cllr Pearce proposed, subject to an independent assessment confirming replacement was needed and subject to the Theatre taking on board comments about providing the Town Council with appropriate notice for capital expenditure, a recommendation be made to Full Council to fund the purchase and this should be taken from marina theatre capital reserve and put back in next year's budget. Seconded by Cllr Green; all in favour.

12.3. Trade accounts with builders' merchants and relevant suppliers, and an appropriate delegation to progress this

It was proposed by Cllr Pearce, seconded by Cllr Barker, to open trade accounts as per the existing financial delegations to the Clerk; all in favour.

12.4. The cost of installing Palisade security fencing at the Britten Road play area

A recommendation from AID Committee to proceed with this fencing was proposed for approval by Cllr Pearce. Seconded by Cllr Green; all in favour.

12.5. Scheduling of play area refurbishments

Cllr Pearce reported that current quotes were coming in high than the previously budgeted amounts for these projects. Cllr Barker asked if fencing was included and it was confirmed that it depended on what was scoped in the works.

It was agreed that this would be considered further by the Budget and Loan Sub-Committee and remain a standing agenda item for this committee.

12.7. A proposal from the Environment and Waste Working Group regarding bulky waste collection to target fly tipping

**Lowestoft Town Council**  
**Meeting of the Finance and Governance Committee**  
**Whitton Residents' Hall, Hawthorn Avenue, Lowestoft, Suffolk, NR33 9BB**  
**13:00 on 9 June 2022**

Cllr Parker provided a presentation which explained the constitution and remit of the Working Group and then detailed a specific proposal for the collection of bulky waste which would mean the Town Council providing a not for profit service once every two weeks in the Kirkley and Normanston wards for a trial period of one year. Cllr Parker assured members that this service was not a statutory duty of any other authority and was likely to cost the Town Council up to £30k per year. Cllr Parker proposed that Full Council allocate money to provide this service and Cllr Brooks questioned if external funding could also be secured.

Cllr Barker asked; how would the group determine if this waste could have been collected by the waste collection authority in the normal, how would the service be promoted and how would booked collections be distinguished from fly tipping. Cllr Pearce proposed that a one off meeting with staff and councillors was arranged to work up the proposal ready for Full Council consideration. Seconded by Cllr Brooks; all in favour.
