

# Lowestoft Town Council Grant Awarding Policy

## 1.0 General Information for Applicants

- 1.1 Lowestoft Town Council has statutory powers to make funds available to local organisations for the overall benefit of Lowestoft and its residents. These provide an option (not an obligation) to make grants and Lowestoft Town Council has adopted this policy to help guide relevant decisions. Any groups or organisations wishing to apply for a grant should read this policy carefully.
- 1.2 In addition to outlining Lowestoft Town Council's guidelines for awarding grants, this document also formalises the application process to provide clarity, openness and fairness. The Town Council reserves the right to deviate from this policy where it considers it appropriate to do so.
- 1.3 It is Lowestoft Town Council's intention to support initiatives from local community groups and organisations and it has set an annual budget for this. Applications will be considered monthly by the Finance and Governance Committee. The annual budget set is the maximum budgeted total amount for all grants and does not represent an obligation by the Town Council to spend this money on grants.
- 1.4 The size of any grant awarded is at the discretion of the Town Council, but would not normally exceed £2,000 in any one application.
- 1.5 Where the application provides a breakdown of costs, a quotation or other supporting evidence must be provided in respect of the sum being applied for.

About your project	
Please provide details of the project and how the project will benefit the people of Lowestoft (250 words max).	As previously stated, the pantry will benefit those who are struggling financially to make ends meet. The cost-of-living crisis seems only set to get worse and so the need will increase. The pantry will run along the lines of the pantry in south Lowestoft. They are now at full capacity and have a waiting list so we intend that our pantry will support this work in the north of the town. It will be run under the franchise Your Local Pantry. The food will mainly come through FairShare and any contributions from local supermarkets. This will hopefully then help to reduce food waste. The project will help to improve the self esteem of the folks who use it since there will be a small contribution each week. There is also choice as to what to buy. We have also made contact with Lowestoft College who may look to place work experience students with us.
