95. Events for consideration and timetabling

- a. To receive an update on the memorial to Lowestoft boats and seafarers lost at sea.
EY left meeting at 10:52

The Events and Office Administrator gave an update on a meeting with the Port of Lowestoft Research Society (PLRS). It was reported that this meeting was helpful and productive for both parties and that the members were happy that this was progressing. It was suggested at the meeting that a working group involving other interested stakeholders should be set up with a maximum of two members from the Town Council involved.

Cllr Pearce proposed to agree with the suggestion to create a working group and the offer of membership with a “light-touch” on voting. It was also proposed for Cllr Pearce to be one of the members alongside the Events and Office Administrator. This was seconded by Cllr Rappensberger; all in favour.

- b. To receive an update on the Amy Denny and Rose Cullender memorial.
The Events and Officer Administrator suggested that this could be included in the Belle Vue 150th Anniversary celebrations with officers working with a contractor on lead times. Cllr Pearce proposed a delegation to staff to commission the memorial, using the agreed design and budget and working with suppliers on lead times to aim for unveiling the memorial as part of the Belle Vue anniversary. This was seconded by Cllr Barker; all in favour.

- c. To consider the 60 years anniversary of Boston Pionair loss (6 February 2025)

Cllr Pearce commented that he had suggested this item following the popularity of the Guava memorial. It was reported that the Boston Pionair loss anniversary is popular on social media and that a similar plaque to the Guava memorial on the south pier might be well received. Cllr Pearce suggested that he would raise this with the South Pier Management Committee and bring it to the next meeting.

- d. To consider a civic event.

Cllr Barker commented that she attends lots of mayoral events outside of Lowestoft which have a civic input and celebrate a wide range of people in service. Cllr Pearce commented that there was always a question on when the event should be and that the event should be secular in nature. It was suggested that the inaugural event should be the opening of the Town Hall with an annual event falling on its anniversary.

JJ temporarily left meeting and returned at 11:04

Meeting of the Events and Communications Sub-Committee

Hamilton House, Battery Green Road, Lowestoft, Suffolk, NR32 1DE

10.00am on Wednesday 24 January 2024

Cllr Rappensberger suggested that the event should be for Lowestoft and should involve a wide range of people. Cllr Pearce suggested that this should be put on the events agenda in March 2024 after the Town Hall's permission to start is agreed and that it should be factored in as a major event at September's Budget and Loan Sub-Committee.

- e. To note future Market events in 2024 and budget allocation.

Cllr Pearce suggested that it would make sense for a separate budget for markets and that an item had gone to the February Assets, Inclusion and Development Committee meeting for consideration with an annual budget of £6000. Cllr Pearce proposed to recommend to the Assets, Inclusion and Development Committee that, if they are happy to have Triangle Market events under the Triangle Market budget rather than the Events budget, that an initial annual budget of £6000 is set with a delegation to staff to enable future planning, and ask the Assets, Inclusion and Development Committee to consider transferring an agreed sum from the 2024/25 Events budget to the initial 2024/25 Triangle Market budget, seconded by Cllr Barker; all in favour.

The Events and Office Administrator confirmed that there was currently no budget for the February Market and that a maximum of £750 was required. Cllr Pearce proposed to agree to a maximum budget of £750 for the February market with a delegation to staff; seconded by Cllr Rappensberger; all in favour.

- f. To receive an update on National Armed Forces Day 2025 bid.

Cllr Barker reported that this was raised at the recent quarterly liaison with East Suffolk Council. The Events and Office Administrator reported that that he had had a conversation since then with East Suffolk Council who were discussing this with their Community and Leisure Team. It was noted that 2025 has two major military anniversaries in the year (VE and VJ day) but it wasn't know whether the Ministry of Defence will be continuing with supporting Armed Forces Day in 2025 due to this. Cllr Pearce asked to clarify if the National Event may not be going ahead. The Events and Office Administrator confirmed this was the case and noted that in one year no National Armed Forces event happened due to the quality of the applicants. Cllr Pearce suggested that to provisionally continue with the plans whilst awaiting further clarification. The Events and Office Administrator confirmed that he would keep the communications open as the bid cannot be completed on our own. Cllr Pearce confirmed that support for staff to write the bid can be accessed.

Cllr Pearce proposed for VE and VJ day events to be scheduled in the 2025/26 events calendar as it would be good to have a local commemoration, and for this to be added on the quarterly liaison agenda; seconded by Cllr Barker; all in favour.

96. Communications

- a. To receive an update on IT provision.

Lowestoft Town Council
Meeting of the Events and Communications Sub-Committee
Hamilton House, Battery Green Road, Lowestoft, Suffolk, NR32 1DE
10.00am on Wednesday 24 January 2024

The Communications Officer reported on a recent meeting with the new website providers. Notes on the meeting had been received and will be circulated to all councillors to comment on with the website designers looking to have a design together by the end of February/early March. This would be presented to all councillors.

Cllr Pearce agreed that other councillors should be invited to comment on the meeting notes but stressing that the time to make any comments is sooner rather than later, noting that design and content can be tweaked post-launch but that we are looking for comments on the functionality. Cllr Pearce also asked if the Communications Officer could give some thought to the web designers hosting the website in order to help with support.

- b. To note social media arrangements, including messaging and interactions.

The Communications Officer commented that this would now be a rolling item on the agenda to help separate comments from the wider IT provision for the Town Council. The Communications Officer commented that he was looking into a way of using Facebook messaging to help with members of the public reporting issues to the Council but highlighting the correct methods for reporting issues outside of office hours, making sure the correct safeguards are in place. Cllr Pearce commented that the social media messaging should not include the requirement for 24hr response cover.

Cllr Barker commented that thought needs to be given to communicating with people who have difficulty accessing digital communications. Cllr Pearce suggested that a liaison with neighbouring parishes to discuss mutual issues and cooperation which might create a joined up solution that might be more cost effective. Cllr Pearce also commented that a quarterly or six-monthly newsletter would be good to look at however thought is needed on how to distribute it.

The Communications Officer commented that a formal communications strategy might be worth thinking about to create the framework for communications.

97. Date of next meeting – Wednesday 28 February 2024 10:00am

98. Items for the next Agenda and Close.

Cllr Barker commented that items already mentioned in the meeting would be carried over, and include a corporate strategy for communications, a hard-copy newsletter and an inter-parish liaison.

99. To resolve that under the Public Bodies (Admission to Meetings) Act 1960, the public be excluded from the Meeting on the grounds that publicity would be prejudicial to public interest by reason of the confidential nature of the business to be transacted.

Meeting closed at 11:50
