

NALC launches consultation to update the model Financial Regulations

NALC are working with The Parkinson Partnership LLP to update the 2019 model Financial Regulations for England and Wales. The model financial regulations are part of a support package that local (parish and town) councils receive through their NALC and county association membership. They are an essential tool for councils of all sizes, setting out the framework within which the council ensures responsible, sustainable and compliant management of its finances. To help NALC with the update, they are seeking views on the technical aspect of the regulations, and the responses will inform the revision and content of these regulations.
