

# Lowestoft Town Council Grant Awarding Policy

## 1.0 General Information for Applicants

1.1 Lowestoft Town Council has statutory powers to make funds available to local organisations for the overall benefit of Lowestoft and its residents. These provide an option (not an obligation) to make grants and Lowestoft Town Council has adopted this policy to help guide relevant decisions. Any groups or organisations wishing to apply for a grant should read this policy carefully.

1.2 In addition to outlining Lowestoft Town Council's guidelines for awarding grants, this document also formalises the application process to provide clarity, openness and fairness. The Town Council reserves the right to deviate from this policy where it considers it appropriate to do so.

1.3 It is Lowestoft Town Council's intention to support initiatives from local community groups and organisations and it has set an annual budget for this. Applications will be considered every three months by the Finance and Governance Committee. The annual budget set is the maximum budgeted total amount for all grants and does not represent an obligation by the Town Council to spend this money on grants.

1.4 The size of any grant awarded is at the discretion of the Town Council, but would not normally exceed £2,000 in any one application.

1.5 Where the application provides a breakdown of costs, a quotation or other supporting evidence must be provided in respect of the sum being applied for.
