

## MEETING PAPER

Meeting: Events & Communications Sub-Committee

Date: 24<sup>th</sup> July 2024

Subject: Quotation for the purchase of digital artwork of the coat of arms

Author: Taylor Williams (Committee Clerk)

~~CONFIDENTIAL~~/NON-CONFIDENTIAL

### Details

As the Town Council proceeds with the acquirement of the former borough's coat of arms, a quote has been obtained for the purchase of digital artwork of the coat of arms from the College of Arms.

This had originally been considered by the Assets, Inclusion and Development Committee in its meeting on 4 September 2023 where it was resolved to not opt for the artwork at the time and requested the purchase be considered by the Events and Communications Sub-Committee if required.

The quote received from the College of Arms gives three options and is as follows:

- Full coat of arms with helm and mantling: £1450
- Shield and motto: £630
- Shield, Crest, and motto: £1145

The contact of the College of Arms noted that the first option would provide the Town Council the option of showing just the shield, the crest, or any other combination, as the artwork would also be provided with separations (i.e. the shield, helm, crest and motto).

Acquiring the official artwork would enable the Town Council to apply to coat of arms to certificates, invitations, online publications etc. The office does not have the capability to produce its own graphical artwork.

### Recommendations/Decision

The Sub-Committee is asked to consider whether to approve one of the quote options.
