

# Lowestoft Town Council Grant Awarding Policy

## 1.0 General Information for Applicants

- 1.1 Lowestoft Town Council has statutory powers to make funds available to local organisations for the overall benefit of Lowestoft and its residents. These provide an option (not an obligation) to make grants and Lowestoft Town Council has adopted this policy to help guide relevant decisions. Any groups or organisations wishing to apply for a grant should read this policy carefully.
- 1.2 In addition to outlining Lowestoft Town Council's guidelines for awarding grants, this document also formalises the application process to provide clarity, openness and fairness. The Town Council reserves the right to deviate from this policy where it considers it appropriate to do so.
- 1.3 It is Lowestoft Town Council's intention to support initiatives from local community groups and organisations and it has set an annual budget for this. Applications will be considered every three months by the Finance and Governance Committee. The annual budget set is the maximum budgeted total amount for all grants and does not represent an obligation by the Town Council to spend this money on grants.
- 1.4 The size of any grant awarded is at the discretion of the Town Council, but would not normally exceed £2,000 in any one application.
- 1.5 Where the application provides a breakdown of costs, a quotation or other supporting evidence must be provided in respect of the sum being applied for.

About your project	
Please provide details of the project and how the project will benefit the people of Lowestoft (250 words max).	<p><b>Medicine Blister Packs</b></p> <p>For two or more years <i>Use It All</i> operated a regular recycling collection service in the High Street. Though its main focus was information, it became apparent that vast quantities of TetraPaks and medicine blister packs were going in the black bin. Both are 'hard to recycle'.</p> <p>MEC/Use It All wishes to link up with Pharmacies, GPs, and local community businesses, to pilot a scheme for diverting blister packs from landfill/incinerator to recycling. Two possible pharmacies are the main Boots in London Road North and Haydens. Boots because they are a national company which should be taking a lead in this, and Haydens because they are a local company with six outlets in the area.</p> <p>As a starter publicity, and to save filling up a couple of black wheelie bins with somewhere around 55,000 blister packs already collected, seven 110 litre boxes would go to reFactory in Hull. Then collecting boxes would be placed in a range of outlets, namely The Mayfly Cafe, Uncle Sid's Zero Waste Store, Trinity St Methodist's Church, all in Lowestoft's High</p>

	<p>Street, and The Over-60's Club in Clapham Road, who already collect regularly and would have a box. These boxes would be fully funded by this scheme, for at least one fill.</p> <p>This scheme is a pilot, and the data collected (amount collected and over what period) would help refining any future scheme,</p> <p>(Both Terracycle and reFactory's business models work in the same way: The collector buys a box, designed for the purpose, from the recycler. This is delivered to the collector. The box is filled. It is then sent back to the recycler, with 'free' postage.)</p>
Total cost of project	£1360
Breakdown of cost	<p>9x110litre fill and return boxes @ £108ea = £972</p> <p>4 x 60litre fill and return boxes @ £72ea = £288</p> <p>Paper, printing, ink for publicity =£100</p> <p>Total = £1360</p>
