**Lowestoft Town Council**  
**Meeting of the Planning Committee**  
**First Floor, Hamilton House, Battery Green Road, Lowestoft, Suffolk, NR32 1DE**  
**18.45 on Thursday 25 April 2024**

Reference	Address and Description	District Ward
	<p>The Committee raised concerns about the proximity of the development site to sewage facilities and queried if the issues of coastal erosions and the policy of managed retreat had been considered in the relocation of businesses further inland and whether this development could block that relocation.</p> <p>There were also concerns about whether the creation of new infrastructure had been considered to support the increased number of homes as the existing health infrastructure would be unable to absorb the demand from the Garden Village, in particular there could be more pressure on the local hospitals, public transport and the roads.</p> <p>Clarification was requested in relation to the desk studies as to what ground studies had been undertaken.</p> <p>It was felt that the development did not sufficiently address the housing crisis and was in the wrong location.</p> <p>It was proposed by Cllr Pearce, seconded by Cllr Newsome and unanimously agreed for the points raised to be provided for inclusion in the scoping framework, for Corton Parish Council to be contacted to arrange a zoom meeting to discuss mutual concerns and for the developers to be invited to present the project to the Committee.</p>
