

Correspondence from East Suffolk Council related to property addressing – 30 new flats on the former site of Shaftesbury Court

East Suffolk Council are responsible for ensuring that all new streets and properties are correctly and clearly addressed and identified.

We have been contacted by the Developer on behalf of their clients to start the addressing process for the 30 new flats being built on the site of the former Shaftesbury Court. Their clients have requested a new building name for the site rather than keeping the original name. They have not put forward any name suggestions and are happy for Lowestoft Town Council to suggest a suitable name.

The road name for the site will remain as Rectory Road.

Many thanks
Mandy
