

## **MEETING PAPER**

Subject: Extension of Yellow Lines - Colville Road, NR33 9RE

Meeting: Planning Committee

Date: 14<sup>th</sup> November 2024

~~CONFIDENTIAL~~/NON-CONFIDENTIAL

A member of the public has contacted the office to request support for extending yellow lines in the drive.

The member of public reports that yellow lines were put down outside their house to stop cars blocking their drive, but the yellow lines were not put down far enough and they still experience issues with cars blocking exit and entrance to their drive.

The Committee is asked to consider if it will support to the member of public in making an application to Suffolk Highways to undertake this work.
