

MEETING PAPER

Subject: Request for Support of Resident Parking on Lorne Road NR33 ORF

Meeting: Planning Committee

Date: 24th October 2024

~~CONFIDENTIAL~~/NON-CONFIDENTIAL

The office received a request from a member of the public regarding the introduction of resident parking on Lorne Road NR33 ORF.

The communication received:

I would like information regarding resident parking. I live in Lorne Road and we have a dance school at the end of the road and parents sitting in parked cars waiting for their children is a big issue in a road which already very busy for parking. We also have a school around the corner and parents park when collecting their children.

My inquiry was regarding the introduction of resident parking on Lorne Road.

The Committee is asked to consider the request and whether to provide Town Council support before they approach the Highways Authority.
