218. To monitor expenditure by this Committee from the climate emergency budget, under delegated authority

The Budget Spreadsheet was displayed on the main screen for Councillors to observe. The Chair was concerned over the amount of monies left so early on in the budget year. It was advised that this should not prevent him planning for anything and that are reserves if needed. The Chair was happy with the response provided by the Deputy Town Clerk.

219. To consider any matters to raise with Cllr James Mallinder (East Suffolk Council's Cabinet Member for the Environment) and/or the Environment and Waste Working Group, and to receive feedback on any matters previously raised

Cllr Barker confirmed a member of public had contacted her regarding the cutting back of trees on Dell Road beside the railway line. Cllr Barker had received a response from Cllr Mallinder that no permissions were needed to carry out these works as was done within Health and Safety regulations. Office Assistant Chris Meek advised that he had a member of public call the office and that they had raised the same issue. Office Assistant Chris Meek had received a response from Network Rail who carried out these works. The email response was forwarded to Cllr Barker and Cllr Page for reference.

220. To consider appointing non-Councillor members to the Climate Emergency and Ecological Committee

Cllr Page updated the committee on his experience from the Woodbridge event that he and the arrangements they have in place for public representation. Deputy Town Clerk advised that Lowestoft Town Council terms of reference currently permits two members with voting rights to sit on the committee. Cllr Lang gave his previous experience when this had been done by Lowestoft Town Council and was unsuccessful.
